

Lake Lure Rebuilding Together Grant Fund

As part of a new Rural Rebuilding Together grant program serving several of our most heavily hurricane-impacted rural downtowns, businesses in Lake Lure may request up to \$25,000 for costs associated with Hurricane Helene. The Fund aims to help rebuild and restore the region's unique and diverse local business community and retain & re-hire the talented people who work at these businesses.

Eligibility

- Open to businesses and commercial property owners in the central business district of Lake Lure
- Have physical and financial losses due to Hurricane Helene that are not fully covered by insurance or other sources of relief funding (federal aid, grants)
- Have been in operation prior to the storm
- Plan to reopen and stay open for at least six months
- Provide a description of the business plans for reopening and operating
- Submit a full and complete application
